Meet Springwood

Staff Highlight: Madison “Madi” Jenks
Nightingale Suites Activities Assistant

Meet Our Newest Activities Team Member!
We are excited to welcome Madi to the Springwood team! She has quickly come to appreciate the warm and caring atmosphere that makes Springwood such a special place to work.
“I love how friendly and caring both the staff and residents are,” she shares. “It makes it easier to come to work knowing I will be welcomed and acknowledged with grace.” One of her favorite parts of her new role is building individual relationships with residents and hearing the unique stories of the lives they have lived. Her goal is to help create and encourage a supportive atmosphere for every resident.
Born and raised in Colorado, she grew up in the Westminster area and is very close with her family, including her older brother, Raymond, and sister-in-law, Lauren. She is also a proud pet mom to Pepper Pots, her tortoiseshell cat, and Echo, her silly leopard gecko.
Outside of Springwood, she enjoys spending time with friends, but you will often find her at home enjoying her favorite hobbies—crocheting, reading, cross-stitching, playing video games, and learning how to sew. With all of these hobbies, she says some might call her an “old soul at heart.”
She is incredibly excited about this new journey and looks forward to making her mark in the Springwood community. Please join us in welcoming her to the team!
